

## The Northridge Optimist Club

The Northridge Optimist Club is active in initiating youth and community projects locally, as well as bringing youth activities organized by Optimist International to the local level. The primary focus is on youth scholarships, but donations are also made to other youth serving organizations. Various youth activities are carried out by club members during the year.

### THE OPTIMIST CREED

#### PROMISE YOURSELF

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness, and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best, and to expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.

# The Scholarships

The Northridge Optimist Club has awarded about 300 scholarships to Northridge students over the past thirty four years of holding these golf outing fund raising events. All of the proceeds from the Scholarship Scramble are used for these scholarships and other youth serving projects in the Northridge area. Most of the proceeds are invested in the **Optimist Club of Dayton-Northridge Scholarship Fund**, a component fund of **The Dayton Foundation**. The Dayton Foundation administers the dispersal of the funds to the scholarship recipients, who are selected by the club's scholarship committee, in conjunction with school counselors. The students are selected based on a combination of academic ability and financial need. Gold, Silver, and Bronze level donors (see page 4 of the program) have scholarships awarded in their name, per the amount of the sponsorship level.

At the Northridge High School awards ceremony in May of 2018, a total of \$14,800 was awarded, divided among ten students as a result of the 2017 Northridge Optimist Club Scholarship Scramble. The list of these 2018 recipients is shown on page 8 of the program (including two scholarships totaling \$4800 from money provided for these awards by Cargill Inc., via the Sharron Braun/Cargill Scholarship fund. This fund is named after the late Sharron Braun, a past Northridge Optimist President, and Cargill employee who started this Cargill fund with the Optimist Club).

Also, a portion of the proceeds are used to fund activities such as the Optimist International sponsored Optimist Essay Contest for students, and our Christmas Sharing program which distributes food to some needy Northridge families during the holidays.

Your sponsorship/donation/participation contributes to the ongoing success of this scholarship program, and the academic success of the students who stand to benefit from the program.

## TWO SEPARATE RAFFLES

### 1.) MULLIGAN RAFFLE

- Each player is entitled to purchase two mulligans for \$10 (one for use on holes 1 - 9, and one for use on holes 10 - 18).
