THE OPTIMIST CREED

PROMISE YOURSELF

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness, and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best, and to expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.

Community Support

The proceeds of this event are used to fund activities such as the Optimist International sponsored Optimist Essay Contest for students, our Christmas Sharing program which distributes food to some Northridge families during the Christmas holidays, and the **Northridge Polar Bear Foundation Fund**, a component fund of The Dayton Foundation, which supports Northridge School educational activities by awarding educational grants.

Northridge Polar Bear Foundation Fund

The **Northridge Polar Bear Foundation Fund** was started by Northridge Local Schools with The Dayton Foundation for funding school related programs that were not covered by school district budgets. The fund was started with an initial investment of \$23,000, \$16,000 of which was donated by Northridge Optimist Club. The stipulation for the use of funds was to preclude its use for scholarships.

The disbursement of funds is handled as a grant process, with an advisory committee that evaluates applications for funds. The Northridge Optimist Club has three members on the advisory committee, which also includes the Superintendent of Northridge Schools, and a representative from The Dayton Foundation. The application form is made available through the school.

Several grants have been made over the past few years for various educational programs initiated by teachers for enhancing and developing students' reading, writing, vocabulary, creative, and organizing skills. In July of 2016 the club donated an additional \$5,000 to the Polar Bear Fund. The Northridge Optimist Club is proud of its contributions to and participation with this fund and recognizes the value of enhancing the educational experience for Northridge students.

Northridge Local Schools new K-12 building

With the Northridge Optimist Scholarships (see below) now being covered by a well established endowment fund, the club is now directing its funding efforts into this Northridge Polar Bear Foundation Fund to further enhance the educational experience for Northridge students of all grade levels.

The Scholarships

The Northridge Optimist Scholarships are awarded from the **Optimist Club of Dayton-Northridge Scholarship Fund**, administered by The Dayton Foundation. This fund has awarded over 300 scholarships to Northridge students over the past thirty five years, totaling well over \$200,000. The Dayton Foundation administers the dispersal of the funds to the scholarship recipients, who are selected by the club's scholarship committee, in conjunction with school counselors. The money in this fund was started with the proceeds of this golf event beginning in 1984, and now is at a level to disburse scholarships without the need of further investments. Thus the club is now using this Northridge Optimist Club Scramble event to add funding the the Northridge Polar Bear Foundation Fund as described above.

In addition to the foundation scholarships, additional Northridge Optimist scholarships are awarded by **Cargill Inc.**, via the **Sharron Braun/Cargill Northridge Optimist Scholarships**. This fund is named after the late Sharron Braun, a past Northridge Optimist President, and Cargill employee who started this Cargill fund with the Optimist Club.
