## Northridge Optimist Activities

The proceeds of this event are used to fund activities such as the Optimist International sponsored Optimist Essay Contest for students, our Christmas Sharing program which distributes food to some Northridge families during the Christmas holidays, and the Northridge Polar Bear Foundation Fund, a component fund of The Dayton

Foundation, which supports Northridge School educational activities by awarding educational grants.

Through an endowment fund, the Northridge Optimist Club has awarded over 300 scholarships to Northridge students over the past thirty five years, totaling well over \$200,000. These scholarships are funded by the Optimist Club of Dayton-Northridge Scholarship Fund, a component fund of The Dayton Foundation. The Dayton Foundation administers the dispersal of the funds to the scholarship recipients, who are selected by the club's scholarship committee, in conjunction with school counselors.
